01. SECTION

Executive Summary & Vision

NexusAI proposes a high-impact 60-day AI Lead Generation Pilot for Nexus Estates Dubai. The pilot deploys our autonomous 24/7 AI Sales Assistant across website and messaging channels, instantly qualifying inbound buyers by budget, location, and purchase timeline, matching them with active inventory (Dubai Hills, Downtown, Palm Jumeirah), and executing seamless human handoffs to licensed brokers. Expected outcome: 3x faster response times and ~75 hours weekly saved across the sales brokerage.
